In accordance with Section 2824-a of PAL, the Agriculture and New York State Horse Breeding Development Fund (the fund) hereby reports its measurement of the Fund’s performance and achievement of its mission during the 2013 year.

Measurements:

1) Promote agriculture through breeding of standardbred horses -
   - Monies provided to Breeders Awards - $1,000,096
   - Monies provided to Race Purses - $16,125,423
   - Monies provided to Equine Education - $125,723

2) Promote Equine Research
   - Monies provided to Harry M. Zweig Grant - $313,172

Using the above measurements the Fund is satisfied that it has fulfilled its mission statement for the year 2013.
