Agriculture & New York State  
Horse Breeding Development Fund

**Measurement Report 2014**

In accordance with Section 2824-a of PAL, the Agriculture and New York State Horse Breeding Development Fund (the fund) hereby reports its measurement of the Fund's performance and achievement of its mission during the 2014 year.

Measurements:

1) Promote agriculture through breeding of standardbred horses -		
Monies provided to Breeders Awards -	\$	716,485
Monies provided to Race Purses -	\$	14,182,000
Monies provided to Equine Education -	\$	143,235
2) Promote Equine Research		
Monies provided to Harry M. Zweig Grant -	\$	291,462

Using the above measurements the Fund is satisfied that it has fulfilled its mission statement for the year 2014.
