If more than ten (10) declare to start, eliminations will be necessary and will be held approximately one week prior to the final. Any ties so far as continuing from an elimination race to a final shall be decided by a blind draw. Should any horse(s) eligible for the final should chose not to race, additional horse(s) from the elimination races will be selected from those properly declared by taking the horse(s) placing highest in the order of finish in the elimination races to complete the field for the final. The next two properly declared horses shall be listed as also eligible for the finals and may draw in before scratch time.
- (3) All finals will race for an announced purse to be determined by the Fund.
- (4) No horse is eligible to declare in an Apple event unless it meets the following:
 - a) at least one charted satisfactory performance line within 45 days of declaration that meets the following qualifying time standards for its age and gait:

1/2 and 5/8 mile Tracks

PACERS 2 YO 2:03
TROTTERS 2 YO 2:07

7/8 mile or larger Tracks

PACERS 2 YO 2:01

- b) the horse must not have consecutive breaks in its last two charted performance lines. If the horse does have two consecutive breaks, the horse must requalify and show a satisfactory charted performance line in the pertinent NYSS qualifying time, without a break, before being entered in an Apple event. If the break was an equipment break or caused by interference, (ix), or driver caused the break, (dx), the break will not be counted against the horse. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break, in said Apple event. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.
- (5) Paddock time for the arrival of horses is one hour before the scheduled post time (excluding horses receiving lasix). Any trainer with a horse that is late to the paddock for a bona fide reason must contact the presiding judge before paddock time and receive permission to be late. In any event, the horse must be in the paddock at least 30 minutes before the scheduled post time of that race, or the horse shall be scratched by the presiding judge.

The testing may also include total carbon dioxide testing (TCO2). Such tests may be administered on a pre- or post-race basis. In the instance of a post-race test, the horse being tested must stand at rest for a minimum of one hour after such horse has raced. Blood samples shall be obtained from each horse tested by a veterinarian or technician licensed by New York State to perform such tasks. - (a) Said horse shall be disqualified from any purse winnings in the race in question and said purse monies shall be redistributed.

Horses to be tested may be selected at random, for cause or as determined by the Fund or an agent of the Fund. A selected horse that is not made available for sampling may be disqualified from competing in the Sire Stakes for the respective year in which the horse is eligible to compete.
