Message from the New York Sires Stakes

On behalf of the Trustees of the Agriculture and New York State Horse Breeding Development Fund, I am thrilled to present the 2025 Stallion Directory, along with all the benefits that come with choosing to breed in New York State.

We sincerely thank you for your contributions this year. New York-bred Standardbreds are coming off one of their most successful seasons ever, with several horses topping North American leaderboards and others achieving national award aspirations. This success is a testament to New York's outstanding breeding program and the lucrative opportunities offered through the New York Sire Stakes. These factors continue to attract industry-leading owners who invest in the exceptional New York yearlings available at auction each year. In 2024, our program distributed a remarkable \$12.7 million in purses, demonstrating the continued strength and commitment to excellence.

Looking ahead, the 2025 season promises even greater rewards. The New York Sire Stakes will offer record-breaking purses for all three Series Finals, alongside a significant increase to the Breeders Award program, which will distribute an impressive \$1.75 million. Additionally, we are excited to introduce a new stakes series for 2-Year-Olds with total purses of \$1 million—a fantastic new opportunity for breeders and owners alike.

This past year, New York-bred horses excelled both “at home” and “on the road.” Thirty horses earned over \$100,000 in Sire Stakes competition alone, with Sir Pinocchio leading the way, amassing over \$600,000 in earnings and capturing “Horse of the Year” honors at the Annual Awards Banquet. For more highlights from this outstanding season, check out Tim Bojarski's recap on page 63.

Inside this directory, you will find details on 28 stallions, including 7 exciting new additions for 2025. Breeders who choose New York enjoy the advantages of an established state-bred program, which enhances the marketability of their yearlings. Moreover, breeders with resident mares can benefit from Breeders Award earnings when their foals excel on the track. Be sure to review the full residency guidelines on page 16 to maximize your opportunities.

We invite you to explore all that New York has to offer and wish you the best in your breeding and racing endeavors this year. Should you need any assistance, please don't hesitate to reach out. We look forward to seeing you at the track this summer!

BREEDERS AWARDS GUIDELINES 2025

BREEDERS AWARDS

The Breeders Awards program provides rewards for each level of NYSS racing: Sire Stakes, Excelsior Series and County Fairs. Breeders of 2- and 3-year-old horses participating in a NYSS event in each NYSS racing season will be eligible to receive a residency-based awards. Road Only breeders of horses finishing in positions 1 through 5 in the NYSS racing program will benefit from the Breeders Awards program. Payments to the breeder of each horse will be calculated based upon NYSS race event earnings each year.

ELIGIBILITY FOR BREEDERS AWARD

It shall be the breeder's responsibility to ensure accurate records are maintained and filed with the Fund for all broodmares. Mares must be bred in New York to a New York-registered stallion and be residents of the state for 180 consecutive days surrounding conception for the resulting progeny to be eligible to earn Breeders Awards. The recipient of any Breeders Award must be the owner of the mare at the time of mating as declared to the USTA. The racing horse must be nominated to the NYSS or be subsequently entered into Sire Stakes events in order for a Breeders Award to be paid.

Each year, mare owners are responsible for filing a "Residency Declaration/Arrival Form—Form A" when a mare enters the state, or at the beginning of the year if she is a year-round resident, and a "Mare Departure/180-Day Declaration of Residency Form—Form B" when the mare leaves the state, or at the end of the year if she is a year-round resident. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

PAYMENT OF BREEDERS AWARDS

Breeders Awards will be based on NYSS race participation during the calendar year. At the end of the racing season total awards due each breeder will be calculated and paid as soon as practical. In the case of multiple breeders, the Fund will contact the first breeder listed on the horse's USTA registration papers. Information required for tax purposes will be requested of all recipient breeders.

SPECIAL MARE SITUATIONS

EMBRYO TRANSFER MARES—TRANSFERRING RESIDENCY

Residency can begin on the date the donor mare enters the state and may be transferred to the recipient mare after a request in writing is submitted and approved by the Fund. Approval will be based on verification that the New York residency period of the donor and recipient mare is overlapping such that the requirement of a contiguous 180 days of residency within New York State is met. In addition, the following applies:

- The embryo flush from the donor mare must occur in New York State. Means of identifying the recipient mare must be provided to the Fund so inspection may be made.
- All residency forms for the donor and recipient mare must be submitted as regularly required by the Fund, including arrival and departure forms for each mare.
- Donor mare must be bred in New York State to a New York-registered stallion and follow all rules and conditions of eligibility.

LEAVE OF ABSENCE FOR PUBLIC AUCTION

An in-foal broodmare may, upon written request to the Fund and proof of consignment into a public auction, be granted permission for a "leave of absence" to leave the state for a bloodstock sale. If returned to the state in compliance with these leave of absence guidelines, she will be able to maintain her residency status for the year if all other residency requirements are met.

Once granted approval, the mare may leave New York up to five days before the commencement of the sale and stay for the duration of the sale, but must return to New York State within five days of the conclusion of the sale. All applicable forms for departure and arrival of the mare must be filed with the Fund.

AWARDS FAQ

What is the NYSS Breeders Awards Program?

The Breeders Awards Program is an incentive to promote agriculture through the breeding of Standardbred horses in New York State. The Breeders Awards will be given at all levels of the New York Sire Stakes (NYSS) Racing Program. Breeders Awards reward breeders who keep their mares in New York State, thereby contributing to the New York State economy and agricultural market. The program is designed to stimulate New York State's agriculture sector and preserve open space through populating the state's many horse farms.

AWARDS FAQ

Who is eligible to receive a Breeders Award?

Eligible recipients of a Breeders Award are individuals or entities who have bred a mare who resided in New York State for at least 180 consecutive days during the breeding year and whose progeny race in at least one New York Sire Stakes program event as a 2- or 3-year-old and finish in positions one through five. The 180-day period must be met within the calendar year and be inclusive of conception. In cases of multiple breeders, only one breeder will be the recipient of the award; the first breeder of record on the horses' USTA registration will be the initial contact.

Do I have to fill out a special form to be eligible for a Breeders Award?

If you wish to be eligible for a Breeders Award, you will be required to fill out a "Residency Declaration/Arrival Form—Form A" and a "Mare Departure/180-Day Declaration of Residency Form—Form B" to certify your mare was a New York State resident for 180 continuous days during the current breeding year. Additionally, if your mare must leave the state for an emergency or if you transfer it to a different facility within New York State, you must fill out and submit the appropriate forms. These forms are available for download on the Fund's website in the "Forms and Downloads" section.

Mare owners wishing to receive special permissions from the Fund under the provisions for embryo transfer or leave of absence for public auction should contact the Fund as soon as plans for an embryo transfer are made or upon consignment into a public auction, respectively. The mare owner is responsible for getting approval from the Fund before proceeding and submitting forms each time a mare enters and leaves the state.

AWARDS FAQ

Is there a timeframe for when the forms are due to the Fund?

Yes, the 180-day residency forms must be filled out completely and accurately and within a specific timeframe; failure to do so may result in automatic disqualification from the program.

The Residency Declaration/Arrival Form—Form A must be mailed or faxed to the Fund with a postmark or fax date within 30 days of arrival. The Mare Departure/180-Day Declaration of Residency Form—Form B must be mailed or faxed to the Fund with a postmark within 30 days of departure. These forms cannot be postdated. If the mare is in the state for more than 180 days, her paperwork should reflect the actual dates of her residency, not just the required number of days. The Resident Broodmare Emergency Leave Form and the Resident Broodmare Emergency Notice of Return Form must be mailed or faxed to the Fund within three days of an emergency leave and return.

I am a New York State resident and my mares are in NYS year-round. Is there anything I must do to be eligible for a Residency Bonus Award?

Yes, you must file, annually, with the Fund the Residency Declaration/Arrival Form—Form A when you wish your 180-day residency period to begin. You must also fill out the Mare Departure/180-Day Declaration of Residency Form—Form B to certify that your mare was a resident in New York State for the continuous 180-day period, even if she is in New York year-round. All forms are due to the Fund within 30 days of the start and end of the residency period. Failure to do so may result in disqualification from the Breeders Award program.

2024 RACING REVIEW

New York-bred Twin B Joe Fresh and Maryland earn Dan Patch Awards in 2024

Twin B Joe Fresh

Maryland

Legendary Hanover

BY TIM BOJARSKI

New York-bred Standardbreds stood out among the best at all levels of competition in 2024 and were headlined by two shining stars of the Grand Circuit, Twin B Joe Fresh and Maryland, who garnered National year-end awards as a result.

Many stories were written about Twin B Joe Fresh (Roll With Joe-Fresh Breeze 1:47.3, \$2,335,765) again this year, as she has already wielded star power for the last two seasons. She completed her 2022 freshman campaign as the fastest (1:48.4) and third richest (\$598,162) 2-year-old pacer in North America regardless of gender, and then came back at three to tie as the third fastest (1:48.2) and richest (\$842,041) 3-year-old female pacer, and third richest overall pacer in North America in 2023.

But her best was yet to come.

Whereas making the transition to competing against older pacing mares can be very challenging for many fillies turning four, that was not the case for Twin B Joe Fresh in 2024 as she recorded her fastest clocking, highest earnings and most single season wins during the year. In her 13 starts she won 11 times while finishing second in the other two, pocketed \$895,562 in purses and set a new lifetime mark of 1:47.3.

Twin B Joe Fresh started a full slate of Grand Circuit events and just about ran the table during the year. She started a nine race win streak in May that included stake victories in the \$100,000 Betsy Ross, \$222,650 Roses Are Red, \$112,500 Perfect Sting, \$140,000 Dorothy Haughton, \$146,000 Lady Liberty, \$100,000 Cleopatra, \$151,700 Milton Stakes and the \$250,000 Dayton Derby. Then after finishing second to Grace Hill in the Breeders Crown elimination, Twin B Joe Fresh won that \$400,000 final and put an exclamation mark on her year with an open length victory in the \$150,000 Fan Duel in November.

Twin B Joe Fresh ended her season as the richest (\$895,562) and fastest (1:47.3, tied with Sylvia Hanover) pacing mare in

North America and those numbers made her the unanimous (142 first place votes) selection to be named the 2024 Dan Patch Older Pacing Mare. And, she is widely considered to be the overwhelming favorite to be named the 2024 Dan Patch Horse of the Year, which has not yet been announced at the time of this writing.

The other New York news-maker was the 2-year-old trotting colt, Maryland (Chapter Seven-Crucial 1:51.4, \$1,227,695), who really hit his stride in August before running off five impressive stake victories to end his freshman season as the richest Standardbred of 2024 in North America regardless of age, gait or gender.

Maryland won his first lifetime start in a \$10,000 Kindergarten stake at The Meadowlands, but then experienced some growing pains. In his next two starts in that same series, he made a break on an off track and then got parked out for the better part of the mile to finish second. Then after being interfered with in the Wellwood where he finished third, Maryland came back to win the \$425,500 final. He then went on to win the \$390,000 Perter Haughton, \$740,000 Mohawk Million, \$700,000 Breeders Crown and \$173,300 Kindergarten final.

Besides finishing as the richest horse in the sport in 2024, Maryland was also the fastest (1:51.4, tied with Gap Kronos S, Luna Lovegood and Memento Mori) 2-year-old trotter in North America regardless of gender.

As a result of his work, Maryland was named the 2024 Dan Patch 2-year-old Colt Trotter of the Year.

A pair of impactful New York-bred 2-year-olds returned at three in 2024 and excelled once again to finish among the best in the business among their peers.

The 3-year-old pacer Legendary Hanover (Huntsville-Lillian Hanover 1:46.2, \$1,088,681) won six of nine starts last year at two while racing exclusively in Ontario until his last outing which was a start in the \$700,000 Breeders Crown where he

2024 RACING REVIEW

did not fare well. In 2024 he also won six races but he was a regular on the Grand Circuit. Legendary Hanover won two overnights and got checks in several stakes early in the year, but a couple of big weeks really launched him to the front page after back-to-back record starts.

First he won the \$650,000 Meadowlands Pace in a lifetime best and stake record 1:46.3. Then three weeks later at the same venue, Legendary Hanover won the \$248,000 Cane Pace in 1:46.2, lowering his lifetime best again while setting both track and stake records, and just missed the world record for 3-year-olds of 1:46.1 by only one-fifth of a second.

Legendary Hanover ended the year as the third richest (\$785,567) 3-year-old pacing male of the year but more importantly, was the fastest overall pacer of 2024 in North America regardless of age or gender.

Turning to the trot, 3-year-old filly R Melina (Chapter Seven-Goodtogo Hanover 1:50.1, \$1,191,874) had a nice freshman year in 2023 with multiple stake wins that helped her finish as the third fastest (1:53.1) and third richest (\$374,405) 2-year-old trotting filly in North America. But 2024 would see her really come on to post some gaudy numbers.

R Melina won four legs of the New York Sire Stakes as well as the \$225,000 final to become an Empire State champion. But she also won the \$125,000 Del Miller, a \$50,000 elimination of the Hambletonian Oaks and the \$301,550 Kentucky Filly Futurity before closing out the year finishing second in an elimination and the final of the \$600,000 Breeders Crown and \$146,050 Matron Stake. She ended the year as the richest (\$817,469) 3-year-old trotting filly and third richest overall trotter in North America. She also ended the year as the fastest (1:50.1) 3-year-old trotting filly (tied with the New York-bred Date Night Hanover and Woman Of Passion) and the second fastest overall trotter regardless of age or gender behind only Sig Sauer (1:49.3), who was named the 2024 Dan Patch 3-year-old Colt Trotter of the Year.

There were four other juveniles who earned in excess of a half million dollars each in 2024 and ranked among the best in the business as well.

The 2-year-old trotting colt Super Chapter (Chapter Seven-Lifetime Pursuit 1:52, \$521,260) ended the year as the second richest and second fastest (tied with Sound Judgement) 2-year-old trotter in North America.

Also, 2-year-old pacing filly The Last Martini (Huntsville-Martinique 1:51, \$511,347) finished the year as the third richest 2-year-old pacing filly in North America and was a New York Sire Stake Champion.

Looking at sophomores, 3-year-old trotter Sir Pinocchio (Met's Hall-Lady Cromwell 1:51.4, \$640,902) was the fourth richest

male trotter and Howlenthehills (American Ideal-Arielle Lynn 1:50.1, \$558,280) was the fifth richest male pacer in North America in 2024. Howlenthehills and Sir Pinocchio were also both New York Sire Stake champions last year.

When looking at aged performers, there were some fine examples of the long term viability of New York-sired Standardbreds as several older millionaires from the Empire State were still competing long after their stakes eligibility had expired.

The 4-year-old trotter Chapercraz (Crazy Wow-Chaperess 1:53.4, \$1,012,689) became the newest New York-bred millionaire after he earned \$533,305 in 2024 to push his lifetime total over that mark. His earnings also ranked him fifth among all older trotters in North America.

He joined the likes of 9-year-old pacing gelding Covered Bridge (American Ideal-Stonebridge Kisses 1:48.3, \$1,373,773) who had the second best year of his life in 2024 after he won 8 races and \$241,158 in purses competing against top Open pacers in North America and 10-year-old American History (American Ideal-Perfect touch 1:47, \$1,669,242), whose seven wins earned him in excess of \$100,000 last year.

Raising the bar even higher was the venerable 14-year-old trotter JL Cruze (Crazed-Topcat Hall 1:49.4, \$2,000,236) who won 10 more races in 2024 and \$105,930 in purses and those earnings vaulted him to the high distinction of becoming a double millionaire.

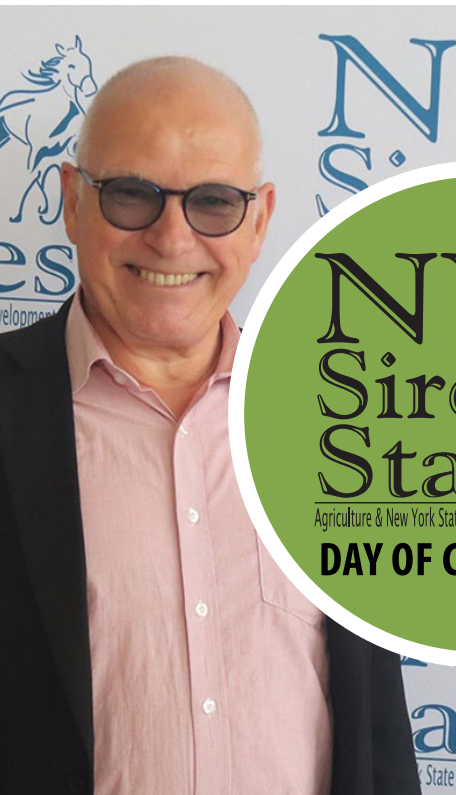

New York's top stallions for both gaits put up big numbers again in 2024.

On the trot, Chapter Seven had 71 2-year-old starters earn \$5,364,164 (those earnings that were more than double his nearest competitor) and 67 3-year-olds make \$5,529,514. That placed him first in earnings among all trotting stallions in North America. His 223 combined all-age starters in 2024 earned a total of \$13,912,000, ranking him number again one overall.

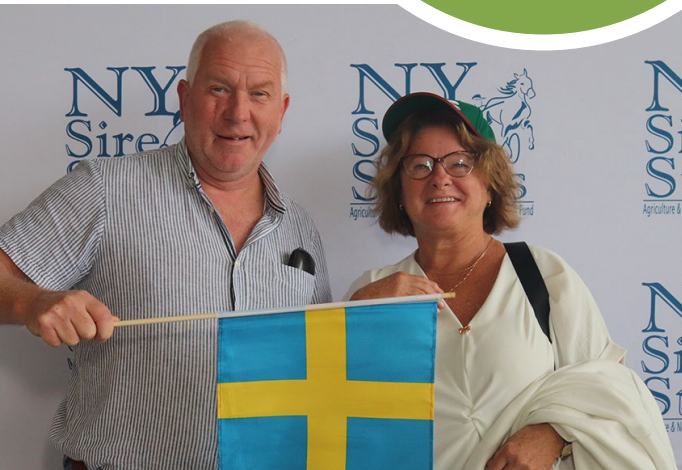

On the pace, Huntsville saw 79 of his 2-year-old starters earn \$3,160,947 and 85 of his 3-year-olds make \$4,464,133 ranking him second and fourth respectively among his North American peers for purses earned. His 309 all-age starters earned a combined \$10,132,810 ranking him fifth in the overall category.

The demand for New York stallions continues to grow year after year as the performances of their offspring make breeding to them more profitable. And the notoriety Empire State Standardbreds received last year alone, will definitely help drive their value and demand well into the future.

All declaration fees will be added to the event to which declared. Starters declare in at each track at the time that is the practice for overnight events at that track. The declaration fee for each final event is to be announced. There will be no refunds for horses scratched from any Sire Stakes event.

Supplementary Entries:

May be made to this stake on foals of 2022 upon payment of \$750 by March 15, 2024, in lieu of the May 15, 2023 nomination fee of \$50. If the regular March 15, 2024 payment is made on time, but the horse was not nominated as a yearling, the Fund may, at its discretion, accept the supplementary fee upon notification of the individual making the payment. All other payments must be made as regularly required.

Yearling Eligibility:

Each eligible must satisfy the following requirements:

- (1) Sired by an eligible stallion (see Stallion Eligibility) registered to the Fund and standing in New York for the full season of service during which the dam was bred to produce such colt or filly.
- (2) The owner of the dam need not be a resident of New York State and foaling need not be in New York State.
- (3) Proof of registration by the USTA, or by a USTA recognized Standardbred registry organization dated on or before the time of nomination must accompany each nomination.
- (4) The foal of any mare which is inseminated by semen transported outside of New York State will be ineligible for nomination to any New York- bred events.
- (5) For a foal to be nominated to these New York events, it must be the first foal born to the dam for the given year, and its sire must be a New York eligible stallion. The only exception will be in the case of same birth twins. To be eligible, a twin status must be indicated on the USTA registration certificates for the individuals in question.

Stallion Eligibility:

Eligible Stallions are those stallions:

- (1) Owned by a resident of New York State and standing the entire stud season in New York State, or
- (2) Owned by a resident of a state other than New York but standing the entire stud season in New York State and leased (copy of lease must be filed with the Fund) by a resident of New York State for a term of not less than one year, or
- (3) Owned jointly by a resident or residents of a state other than New York State together with a resident or residents of New York State and standing the entire stud season in New York State with the same leasing requirements as (2).
- (4) To be eligible, a stallion must be registered with the Fund no later than January 1, of the year he will stand stud.

Future Eligibility:

The March 15, 2024, payment must be made to race in 2024. The February 15, 2025, payment must be made to race as a 3-year-old in 2025.

Payment Distribution:

Fifty dollars from each nomination fee and thirty dollars from each 2- and 3-year-old payment will be retained to defray a portion of the expenses for managing, advertising, promoting and publicizing these New York-bred harness horse races.

- (1) All 2- and 3-year-old staking fees available each year will be divided equally among all scheduled events, and will be added to the purses and distributed as follows:
 - (a) the 2- and 3-year-old February and March 15 fees will be divided equally between trot and pace divisions for colts and equally between trot and pace divisions for fillies.
- (2) New York Sire Stakes Fund monies will be divided each year in accordance with ratios established by the Fund.

Racing Conditions:

- (1) Each race to be held in one dash at one mile.
- (2) A NYSS final or consolation race, if scheduled, for 2- and 3-year-olds who participated in NYSS No. 64. Horses will be segregated by sex and gait in all events. Eligibility to these Championship events will be determined on a point basis. Points will be earned in legs of NYSS No. 64 raced at the participating pari-mutuel tracks and will be awarded as follows: 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth. The said horse would receive points according to its official finish, regardless of how many horses finish the race. A horse must finish the race to earn points, unless the race is cancelled (see race condition # 13, cancellation). Recalls – recalls in a NYSS race would be for the following reasons: Broken equipment, interference behind the starting gate, a horse falling before the word "go" is given, a horse scoring ahead of the gate or a horse assuming incorrect post position, or malfunction of the starting gate.

NEW YORK SIRE STAKES NO. 64

FOALS OF 2022

- (3) All Sire Stakes events at each sex, age and gait shall be limited to as many starters as can be drawn to post in the first tier. Trailers will not be permitted to start in any New York Sire Stakes event. (Trailers are permitted to start at county fair events.) All owner entries must be split into different divisions for all Sire Stakes, if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. If an owner is affected by this condition, eligibility will be determined for those horses, with three or more starts, on highest points earned. Any horse that changes owner within 30 days before the date of entry (draw date) for NYSS final or consolations, if scheduled, must get those changes approved by the Fund or its designee to be able to race in the finals or consolations.
- (4) Sire Stakes races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (5) In the event of a dead heat for any position in any leg of NYSS No. 64, points will be split evenly between the horses involved. In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry.
- (6) All horses must enter the finals to race in either the finals or consolations. Consolations may be subject to race at a different venue on a different date. Horses must start in at least three legs to be eligible to the final or consolation race if scheduled (unless removed due to owner conflict as provided in 3 above). Judges official order of finish (points) will be used in determining eligibility to the finals or consolation race if scheduled. The top eight (or nine on a 5/8's or larger track) horses entered will race in the finals. The next eight (nine) horses will make up the consolation. Should there not be enough entries in the box with at least three starts to fill the finals race, the highest point earner which has entered with two starts shall be selected, etc. until there are enough entries to fill the first tier with horses that started in at least one New York Sire Stakes leg. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered, unless reduced pursuant to 6 above, at the Fund's discretion. Horses staked to only one series, either Sire Stakes or Excelsior Series may only enter the series to which they are staked

Yearling Eligibility:

To be eligible to these New York Excelsior Series each horse must satisfy the following requirements:

There will be no refunds on any horse scratched after the closing of entries from any Excelsior Series races.

Racing Conditions:

- (1) Each race to be held in one dash at one mile.
- (2) Horses will be segregated by sex and gait in all events. Points earned in legs of the Excelsior Series will be used to determine eligibility.
 - (a) 50 points for winning a leg, 25 points for placing second, 12 points for placing third, 8 points for placing fourth, and 5 points for placing fifth.
 - (b) A horse must finish the race to earn points, unless the race is cancelled (see race condition No. 13, cancellation.) The said horse would receive points according to its official finish, regardless of how many horses finish the race.
 - (c) In the event of a dead heat for any position in any leg of the Excelsior Series races, points will be split evenly between the horses involved.
 - (d) In the event of a tie for the last entry in the final or consolation the judges shall draw by lot from among the horses tied in the point standings to determine the final entry. - (3) Excelsior Series races will be divided into divisions in a manner that ensures fields of equal size. When the number of horses entered into an event does not divide equally, the fields will not vary in size by more than one horse.
- (4) All owner and then trainer entries must be split into different divisions if possible. No more than two entries from a common owner will be permitted in the same final or consolation, if scheduled. There must be at least 4 horses entered in the consolations, however if there are four horses, the purse may be prorated based on the number of horses entered unless reduced pursuant to 5 above, at the Fund's discretion. There shall be no Excelsior consolation races scheduled if less than 4 horses are entered.

- (6) Trailers will not be permitted to start in any Excelsior Series events.
- (7) In the event of a tie for the last entry in the final or consolation, if scheduled, the judges shall draw by lot from among the horses tied in the point standings to determine the final entry. Also, any horse with one break that has been declared in before its second consecutive break will continue to be eligible to that declared event. Eligibility to subsequent events will be determined by a satisfactory performance, without a break. Officially charted workouts before the judges will not be allowed as a satisfactory charted line.
