**Vernon, NY**---Four New York Sire Stakes events for 2-year-old trotting fillies headlined Friday (Aug. 14) evening's card at Vernon Downs, and [Lucky Chucky](#) - Vintage Chip filly Posterity (\$7.30) proved most impressive among the quartet of winners.

In the \$27,250 seventh race, trainer-driver Charlie Norris floated Posterity into midfield from her outside post, rating well off odds-on favorite Dizzy Broad (Jim Morrill Jr.) through a :27.4 first quarter before charging to the fore amid a slackening :58.1 half mile. Upon reaching the end of the backstretch, Posterity was able to clear down to the pegs, turn aside a mild challenge from the first-over Credit To Thelimit (Sam Schillaci), and draw clear of her rivals through a dazzling :27.4 final quarter. Her 1:56 mile was the fastest of the four Sire Stakes splits, and she defeated runner-up Dizzy Broad by 3-1/2 lengths.
